E-learning courses available

An Introduction to Integrated Working (The Early Help Assessment - including CAF; Lead Professional; Information Sharing)

This basic awareness course is made up of three learning objectives: The Early Help Assessment (including CAF), information sharing and the role of the lead professional. The course will give you an in depth understanding of these topic areas so that you can confidently discuss the concepts with families, should you need to. It will provide underpinning knowledge for lead professionals or practitioners, prior to face to face training.

An Introduction to Safeguarding Children

This course is aimed at those who have occasional contact with children as part of their job role (e.g. receptionist, cleaner, porter, cook who works in a school, hospital staff, those in GP surgeries, leisure centre staff, housing office workers). The course aims to inform about the various types of abuse or neglect that can happen to a child and then explain what you must do if you suspect a child is being abused or neglected.

Please note – if you are a frontline worker you <u>do not</u> need to complete this course before doing the 'Awareness of Child Abuse and Neglect' package. You need to go straight to completing the 'Awareness of Child Abuse and Neglect'

Awareness of Child Abuse and Neglect- Core

This course is suitable for frontline professionals and those who have direct contact with children and their families. The course covers a variety of child protection and safeguarding children issues and is suitable for anyone who regularly comes into contact with children, or who may be asked to contribute to the assessment of children in need. The course aims to inform about the various types of abuse or neglect that can happen to a child and then explain what you must do if you suspect a child is being abused or neglected.

Awareness of Domestic Violence including the impact on children and young people

This course is suitable for any worker who is in regular contact or works regularly with children, young people and their families, particularly those who feel they could be a first point of contact for victims of domestic violence. The course will raise your awareness of the issues surrounding domestic violence and the impact it has on children and young people.

Child Accident Prevention

Unintentional childhood injury results in over 2 million visits to Accident and Emergency departments every year; over half of these injuries occur in the home. This module aims to raise professionals understanding of child accident prevention to enable them to provide parents' and carers' with a better understanding of child accident prevention too. Statistical data will highlight the high risk of unintentional child accidents. The course will look at access to supplementary guidance, look at risk factors, preventative measures and treatment after accidents.

Early Child Development – Foundation

The aim of this course is to increase awareness of the main issues around early child development. By providing learners with a better understanding of the key issues, they will be able to develop their work in a way that improves the outcomes for parents and children. This course highlights the importance of a wide range of factors that affect the individual pathway along which each child develops.

Equality & Diversity in Bradford

Ask the question 'What is Equality and Diversity' and you will get a variety of answers. There is much confusion, it is often obscured by myths and most people are wary of dealing with Equality and Diversity issues for fear that they may do or say something wrong. This module is aimed at making things clearer. This course is aimed at anybody working or interacting with others, to understand the role they should play in Equality and Diversity and is applicable to any workplace environment.
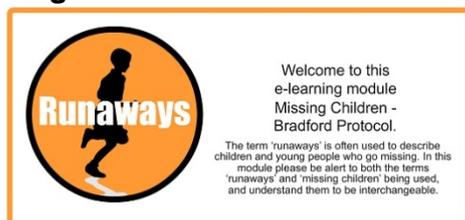

Hate Crime

This module is aimed primarily at those working with vulnerable people in our communities however, the module is appropriate for anyone who wishes to increase their awareness of hate crime, and understand how to recognise and report hate crimes.

Hidden Harm – The effects of parental problem substance use on children

There are approximately 1.5 million children of problem drug and alcohol users in the UK. Services naturally focus attention on the problem user but the effects on the children can be overlooked. This course is designed for anyone working with children, young people or their families and aims to help the learner spot the signs of harm and identify the opportunities to safeguard the child.

### Missing Children - Bradford Protocol

This course is designed to help staff, volunteers and carers who work with children and young people who are at risk of going missing in Bradford and West Yorkshire. The course covers an overview of the issues, government guidance, roles and responsibilities, risk assessment and interagency procedures.

Safe Sleeping for Babies – Reducing the risk of SIDS

This e-learning course has been developed to support key safe baby sleeping messages, with an aim to raise the awareness of SIDS, so parents, family members and anyone who comes into contact with families or infants can confidently reduce the risk to the baby in their care.

Safeguarding Children from Abuse by Sexual Exploitation

This course is designed to raise awareness of the background to child sexual exploitation, including definitions, the key legislation and guidance and research findings. It is aimed at anyone who comes into contact with children and young people during the course of their work.

The Connected Baby Series: Motorways in the Brain - the processes of Neural Development

This course is aimed at all professionals working in the early year's sector, including nursery staff, child minders, early year's teachers and foster carers. It will also be helpful to those who make decisions about children in their early years, including social workers and legal professionals.

There are also two more modules in this series you can access via the requested learning tab once you have signed up and completed this course.
